Private Rack Hire Policy & Fee Schedule

Boat racks are available for hire to ARC members in order for them to store their own private boats in either of ARC's sheds. A rack hire fee is applicable and is dependent on the type of rack allocated.

Location	Annual Rack Hire Fee (GST Inc.)
Torrens (Single Scull, Fixed Rack)	\$200
West Lakes (Single Scull, Mobile)	\$200
West Lakes (Single Scull, Cradle or Fixed Rack)	\$300
All other boat sizes	By negotiation with the Captain.

- **Private boats and equipment may only be stored in the ARC sheds with the Captain's permission.** The allocation of racks for private hire is based upon the availability of space surplus to the Club's requirements and is at the sole discretion of the Captain.
- The rack hire period runs from **September 1 to August 31** the following year, in line with ARC membership renewals. A rack hire agreement form must be signed and accompanied with payment, which shall be due by September 30 each year.
- No refund shall be given if the boat is removed voluntarily from the ARC shed by the owner. In the event that a member is requested by the Captain to move their boat to another location or lower priced rack part-way through their hire period, only then they shall be entitled to a pro-rata refund of the fee.
- Failure to pay the appropriate fee by a member by the due date shall result in one month's notice being given for the member to remove their boat from the ARC sheds.
- Only Active ARC members may be permitted to store private boats in the ARC sheds. (i.e. Non-members or gym/non-active/social members are not permitted to store private boats in the ARC shed.)
- **Private boat owners are responsible for the maintenance and insurance of their equipment,** with privately owned boats not covered under the Club's marine hull insurance policy.
- Storage of 1 pair of sculling blades is included in the rack hire fee for single sculls.

All members wishing to store private boats in the ARC boatsheds must apply to the Captain with their preferred storage location by **August 31** each year. Allocation shall be advised shortly afterwards, with invoices issued and due for payment by **September 30**. **For more information on the ARC Rack Hire Policy, contact the Captain (via captain@adelaiderowingclub.com.au) or a Club committee member.**
